**Greetings AFP Greater Cincinnati!**

What a long, strange trip it has been. We are now halfway through the 2020 calendar year, and the new world order we were introduced to in March is still a way of life. We are facing a long period of our home and work lives merging under the same roof and we have all learned new ways of doing our work. I look around at my peers and colleagues with wonder and amazement at all that has been and will continue to be accomplished. Our profession is more relevant now than it ever has been before, and the support needs are even greater. It is an honor and a privilege to serve my friends and colleagues, striving to be that source of support in the community.

The Chapter leadership has chosen to execute the remainder of the 2020 programming virtually to ensure the safety and support of our members and guests. I would invite you to visit the Chapter [Website](#) to learn more about upcoming programs and see how you can continue to grow your skill sets regardless of where you are. We are particularly excited about the plans for National Philanthropy Day this year, also to be offered in a virtual format. The honorees will be announced in the coming weeks and we are sure this will be another wonderful day to celebrate the amazing work that takes place around us year after year. Sponsorship opportunities are available, and I hope that you will consider participating this year.

If there is anything that we can do to help support you during this time please do not hesitate to let us know. Thank you for all of your hard work in the community we call home!

Rachel Kirley, CFRE
President, AFP Cincinnati Chapter

National Philanthropy Day Celebrates *"Making a Difference Together!"*

Save the date!

On Thursday, November 5th, our chapter is hosting our first-ever virtual National Philanthropy Day celebration.

Our theme, "Making a Difference Together", is a true representation of the work that our local philanthropic community does to help improve the quality of life for individuals throughout Greater Cincinnati, Northern Kentucky and Indiana. We've worked to make this year's event better than ever and have added even more reasons for us to come together and celebrate.

Award winners will be announced on August 4 via eblast from NPD media sponsor Movers & Makers. Make sure you are registered for their free newsletter so you can hear it first! <https://moversmakers.org/>. WCPO anchor Krystin Hartman will be our emcee for the live broadcast and Barbara Turner, President of Ohio National Financial Services will serve as Honorary Chair.

Also tune in to NPD media sponsor Channel 9 the week of August 12 to learn more about our Youth Award winner and this year's NPD event!

Sponsorships are now available! please visit <http://www.afpcincinnati.org/2020-national-philanthropy-day> to learn more about our amazing sponsorship benefits.

We are excited to announce that a portion of this year's sponsorship and ticket sales will be donated to the New Faces of Fundraising Program, AFP Cincinnati's nationally recognized initiative to introduce diverse individuals to the field of fundraising.

We look forward to celebrating with you on Thursday, November 5, 2020 from 11:30am to 1:00pm. Given the rapid response by the philanthropic community to the public health and cultural crises we've experienced this year, we truly believe we are "Making a Difference Together." Now more than ever we need to come together and celebrate the acts of kindness and love that are happening in our community during these challenging times. We hope you can join us!
