Happy Fall AFP Cincinnati!

This is one of my favorite times of year, with the holidays fast approaching and the colors around us shifting. The 2020 calendar year proved to be like no other with the impact that COVID-19 is having on us all. As we prepare for a winter to be spent in large part in our own homes. I am reminded of the wonderful community that still exists around us. Even when we are far apart the network of professionals around us remains strong and engaged.

I want to give a huge thank you to the entire AFP Greater Cincinnati Board of Directors who have successfully pivoted our programming to a virtual setting since March. From the CFRE Refresher Course to Networking and Knowledge, we have shifted our delivery vehicles to accommodate the needs of our members and protect our neighbors. We do not yet know what 2021 holds but we remain dedicated to supporting your needs.

Speaking of the community around us, we are just a few days away from our first ever Virtual National Philanthropy Day. I want to give a special thank you to the entire NPD Committee, chaired by Elise Hyder, for their tremendous work on this year’s event. It was no small task to convert our signature event into a virtual setting but the team has done so with grace and enthusiasm. It will surely be a wonderful celebration of the philanthropic efforts in our region during this chaotic year. If you have not yet purchased your tickets please visit [NPDCincinnati.org](http://NPDCincinnati.org).

As my term as President draws to a close this December, I want to thank you all for your membership with AFP. Maintaining your investment in your professional growth is a difficult task during this time, but one that is of even greater importance now. Thank you for your investment in AFP.

I look forward to “seeing” you at National Philanthropy Day!

Best regards,

Rachel Kirley, CFRE  
 President, AFP Cincinnati Chapter

**Celebrate the Many Ways We Are “Making A Difference Together”  
 on National Philanthropy Day**

The Cincinnati Chapter of AFP is excited to bring Cincinnati’s philanthropic community together to celebrate the many ways that individuals, organizations and businesses are inspiring change and making a significant impact. Now, more than ever, we need to acknowledge the generous benefactors and

volunteers who make a difference each day in lives of individuals across a spectrum of nonprofit organizations from the arts to education to social services and everything in between.

This year, the National Philanthropy Day program will be a virtual celebration bringing together businesses, nonprofits, philanthropist and volunteers in a meaningful way. Our virtual event is sure to inspire and uplift all who are in attendance. Although we cannot be together physically, we can come together to celebrate the good that is happening in the Greater Cincinnati community!

Join us as we recognize those who are impacting the communities where we live, learn, work and play. Each nonprofit organization participates by spotlighting their Honored Guest during this virtual event.
