New normal.

Unprecedented.

Uncertain times.

Pivot.

I'm fairly certain that I could go the rest of my life without hearing those words or phrases again. And yet, here we are; at another critical juncture in the pandemic, with cases rising again across the US. Even though it feels a little like deja-vu, I am optimistic and I am hopeful. As fundraisers, we're creative and resilient, and we know that sometimes, you have to play the long game.

Your AFP Cincinnati Chapter is committed to supporting you by continuing to provide networking and educational opportunities in accessible and innovative ways. I'm so excited for our programming calendar for the second half of 2021, including National Philanthropy Day and the Annual Not-For Profit Leadership Summit—both events will be offering in-person and virtual options. Check out the rest of our upcoming events by [CLICKING HERE](#).

While we may still be living in *groan* uncertain times—we can and will continue to lift one another up as we all work to make the Greater Cincinnati community a better place. Thank you for your work and dedication.

Funding is the lifeblood for all organizations in the business of social change. But when your resources are limited, so is your impact.

From galas to golf outings, many traditional in-person fundraising events were essentially nonexistent throughout 2020, and although some have slowly reemerged throughout 2021, it's likely that this form of securing financial security across the social sector will be changed forever.
