Celebrating IDEA

At AFP, we believe that diverse voices strengthen our sector and deepen impact. Driven by the values of IDEA (Inclusion, Diversity, Equity, & Access), we welcome members from all backgrounds, ensure accessibility at events, provide learning opportunities and host programs celebrating the richness of our community. Get involved with our IDEA Committee [here](#).

Pride Month

Pride Month invites us to acknowledge the progress, challenges, and contributions of the LGBTQ+ community. It's also a timely opportunity to reflect on how we, as fundraising professionals, can help ensure charitable spaces are open, affirming, and inclusive.

Juneteenth

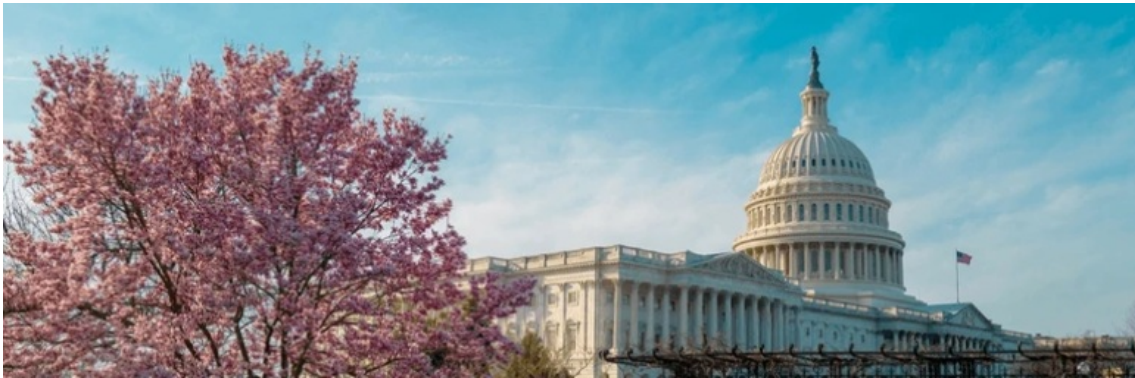

As fundraisers, we have a responsibility to ensure that our work reflects the values of justice and equality. Whether through learning, conversation, or celebration, we invite our community to engage meaningfully with the spirit of Juneteenth. And there are two jam-packed weekends of events ahead!
