FOUNDERS CIRCLE

JOHN OLBERDING
Founder and
Chapter President

Founders Circle, a new initiative dedicated to expanding scholarships for current members facing financial barriers and for prospective members who lack the resources to join.

As we look ahead to our 50th anniversary in 2027, this effort is especially meaningful: it is chaired by the 1990-91 past president John Olberding, whose leadership continues a family legacy of service which began when his father also served as a Founder and Chapter President.

The Olberding Founder's Circle will honor that legacy by ensuring access to membership and education for generations of fundraising leaders to come.
