National Philanthropy Day

National Philanthropy Day (NPD) is a special day set aside to promote philanthropy and recognize individuals, organizations and businesses that are inspiring change through their significant impact on nonprofit organizations.

Date: November 19, 2026

Location: Music Hall

The National Philanthropy Day Program is our annual, signature event at which people representing businesses, nonprofits, philanthropists and volunteers come together to celebrate our vibrant philanthropic community. All nonprofit organizations have the opportunity to participate in our Friends of Philanthropy process by recognizing donors, volunteers and special friends who have made a truly exceptional impact.

This year we are making an exciting change to the NPD format. Instead of a luncheon, we will be holding an evening reception. We will still be honoring our Awardees in each category, but this new format this will allow greater opportunities for conversation, networking and re-connecting! We hope you will join us!

EDUCATION & ENGAGEMENT EVENTS

Network and Knowledge:

AFP's Networking and Knowledge provides a forum for members to participate in roundtable discussions on various topics such as major gifts, stewardship, special events, and donor retention and provides opportunities to network with fundraising professionals.

Fundamentals of Fundraising

AFP's Fundamentals of Fundraising Course offers fundraising professionals with 0-4 years fundraising experience a complete seven-module overview of the development function, using case studies and projects for groups and individuals to make the learning experience both substantive and enjoyable.
