**NOTE:** There is a separate application and application fee for the CFRE Exam which must be received by CFRE international at least 2 months prior to the exam date. Participation in the AFP CFRE Refresher Course may assist you in learning or reviewing concepts covered on the Certified Fundraising Executive (CFRE) examination as detailed on the test content outline provided by CFRE international. However, the AFP CFRE Refresher Course is not designed specifically as a prep course for the exam. It is designed to provide a review of concepts one should know at the five-year experience level.

AFP highly recommends that the review course be just one of the resources you use in preparing to take the CFRE exam. Your study should also include reading books that appear on the CFRE Resource Reading List.
