

President's Point of View

AFP Greater Cincinnati welcomes our 2019 President, Tricia L. Sanders, who held the positions of president-elect and ethics chair prior to becoming president. Sanders has served our nonprofit community for more than eight years and is working toward her CFRE (Certified Fund Raising Executive) Certification. She is the Corporate Relations Director for Habitat for Humanity of Greater Cincinnati where she works with corporate and business donors to facilitate sponsorship and volunteering efforts. Prior to that, Sanders served as Development Director for The Center for Ethics at BBB. She resides in Colerain Township with her husband and two children.

"I am extremely honored to serve alongside our amazing board and committee members," says Sanders. "I look forward to continuing the good work of our AFP chapter with educational and social events that strengthen our nonprofit community and enhance our AFP member experience."

Our Chapter Strikes Gold Again: AFP Greater Cincinnati Honored with Ten Star GOLD

This month AFP shared the good news: our Greater Cincinnati Chapter has been named a 2019 Ten Star GOLD Chapter!

Congratulations to all of our members, volunteers, event leaders, committee members and board for the part you all play in the chapter's success.

Every year, AFP honors chapters for achieving goals that align with key objectives in its long-range strategic plan. Chapters receive Ten Star GOLD Awards for performing specific activities designed to increase professionalism within fundraising and public awareness of the importance of philanthropy.
