Did you happen to read this week's edition of the [Greater Cincinnati Nonprofit News](#)? AFP Greater Cincinnati announced that we are officially relaunching our New Faces of Fundraising program in 2022 and I could not be more excited. AFP is committed to promoting diverse, inclusive, equitable and accessible chapters where every member, volunteer, staff, and board member can realize their potential and have their contributions valued. Here in Cincinnati, this means engaging in activities and implementing strategies that make our chapter more inclusive and reflect our community. New Faces is just one of the many ways that we are accomplishing our goals.

In other exciting news, National Philanthropy Day is right around the corner! If you haven't had a chance to read about this year's award winners, check out the latest edition of [Movers & Makers](#). I hope to see you there, either in-person or virtually, to celebrate our donors, volunteers, and organizations who make our community a better place to live.

As always, thank you for your membership and continued support. Our success is because of you!

Gratefully,
Kila Hanrahan, CFRE

Relaunch of AFP's New Faces of Fundraising

AFP continues to put forth a significant effort to address the need to make the non-profit sector more inclusive, through its Inclusion, Diversity, Equity, and Access (IDEA) initiatives. To meet the need on a local level, the AFP Greater Cincinnati chapter is relaunching its professional development program, **New Faces of Fundraising** in 2022.

New Faces of Fundraising is a professional development program and pipeline aimed at providing individuals from diverse backgrounds:

- An introduction to the Greater Cincinnati philanthropic community
- Professional and leadership training opportunities with local and national experts,
- Internship at a local non-profit

New Faces of Fundraising not only brings awareness to the need for diversification within the non-profit fundraising profession, but aims to provide a solution by enhancing the pipeline of well-trained philanthropy professionals from diverse backgrounds in our region.

"New Faces of Fundraising is a unique opportunity for our chapter to not only serve the next generation of fundraising professionals, but also provide a resource for local non-profits aiming to lead the charge in making our profession more inclusive and representative of the communities we serve. AFP Greater Cincinnati is excited to assist in the efforts to connect new faces eager to learn and assist in making the greater Cincinnati region a better place for all."

- Kila Hanrahan, President, AFP Greater Cincinnati

Participant applications for class nine of New Faces of Fundraising will open in December 2021. For more information and updates, please visit: [AFP Cincinnati New Faces of Fundraising](#) or [NFF Facebook Page](#).
