October is Ethics Month!

The Greater Cincinnati chapter is one of the largest chapters in the world and consistently seen as a leader in the global network – understanding that ethical philanthropy is not achieved exclusively by one department but the organization as a whole.

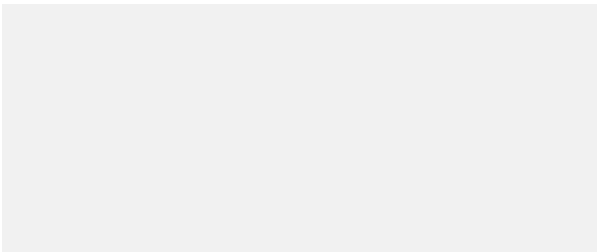

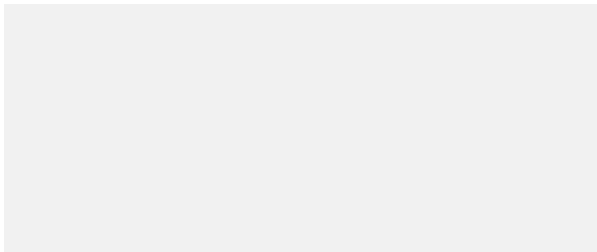

In recognition of the importance of ethical philanthropy toward the public good, the Greater Cincinnati Chapter of the Association of Fundraising Professionals (AFP) invites the Greater Cincinnati community to mutually pledge a shared commitment to ethical philanthropy.

Organizations that sign the **Declaration of Ethical Philanthropy** pledge to promote and uphold as members of a community who are committed to an ethically philanthropic culture:

- Shared growth mindset in the spirit of collaboration and pushing beyond status quo.
- Shared informed decision making that is inclusive of all who are impacted.
- Shared community-wide responsibility to be transparent and accountable.

Join our community in making the world a better place.
